## Want on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos. tins put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal prices? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedie, Druggist

K. O. Eldridge, the agent for the Singer Sewing Machine has also secured the agency for several leading pianos including the following makes, McEwen, Antisell Newby and Evans, and several others, which he will sell on reasonable installments. ## How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedie, Druggist.

## A Splendid Showing.

The follow extract is taken from Secretary Torreyson's report of the District fair:

Total disbursements... \$23,110 07

Total receipts... 22,802 53

Deficiency... \$ 307 54

There is enough due on life membership to pay this deficiency. About the first of last June the Society purchased new grounds, and began the construction of a new mile track, the erection of a grand stand, judges' stand and 108 stalls and sheds. Our Fair was held from the 7th to the 12th of October, 1889, and since the meeting some \$300 has been paid out for improving the grand stand. Our Board of Directors deserve the highest credit for the success of the Fair, and the economic management of the funds at their disposal.

BLEW OUT THE GAS.—Night before last says the Enterprise, Gustave Centim, a young Italian who speaks no English, came near losing his life through blowing out the gas in a room he occupied at the International hotel in this city. When found about 7 o'clock in the morning by his traveling companion, Centim seemed lifeless. This man could speak no English, but he managed to se alarm Mr. Farrington, the hotel clerk, that he followed him to the room of the asphyxiated man. Mr. Farrington at once grasped the situation and hauled the apparently lifeless man out into the open air and then sent for Dr. Harris. The man was so far gone that the usual remedies failing to restore him, Dr. Harris had him plunged into a bath of almost scalding water. This brought a return of consciousness on the double quick.

A NEVADA PIONEER DEAD.—Ex-Judge J. W. North, an old Nevada Pioneer, who has recently resided in Fresno, California, died at that place on the 22nd inst. at the age of 75 years. He leaves a widow and six children. He had been sick about six weeks. He was appointed in 1861 Surveyor General of the Territory of Nevada, and subsequently Judge of the Territorial District Supreme Court of Nevada. In the Fall of 1865 he returned to the East, locating at Knoxville, Tenn., where he remained some time.

TWO CARSONITES.—A correspondent of the Enterprise writing from San Bernardino says: "The inhabitants of our city have nearly all been afflicted with that terrible disease known as la grippe, some of them quite ill with it. Among the latter were Mrs. B. F. Foster and Harry Lester of Carson City. Harry's lungs have been weakened considerably by former attacks of pneumonia and I was told today that his attending physician forbade him talking very much, as it irritated his lungs."

JENKINS TAKEN TO PRISON.—Benjamin Jenkins who was sentenced to ten years in the State Prison for the murder of his wife, was brought here day before yesterday. Owing to the road being blockaded he was brought down from Virginia in a reekaway by Sheriff McCullough.

The Wheelmen's masquerade is quite a good way off, yet it is a splendid idea to be thinking up an original costume for the event, which takes place on Friday evening, April 11th. The boys intend giving four fine prizes; for the two most original costumes and the two best sustained, lady and gentleman.

The latest is "Are you with us Casey."

The fact has been abundantly proven that Chamberlain's Cough Remedy is the most prompt, most reliable and most successful medicine yet discovered for acute throat and lung diseases, such as coughs, colds and croup. For sale by G. C. Thaxter.

Mr. W. H. Baldridge, druggist Escondido, California, says: Chamberlain's Cough Remedy is the best selling medicine I handle. In fact I sell more of it than all other cough medicines combined. Everyone who has used it speaks in glowing terms of its efficiency." For sale by G. C. Thaxter.

THE GYMNAZIUM.—The young men of this city, not long ago organized an association known as The Carson Athletic Association. After the regular number of enthusiastic meetings and a few preliminaries the whole thing busted up with considerable dissension among their own ranks. The APPEAL is sorry to see this thing drop through and a reorganization of the club would be a welcome feature and an institution of this kind would be the means of bringing the young men together in the pursuit of athletic sports. Many of our best young men are now paying out \$8 a month to a boxing teacher but the class is only composed of a few, compared with the many who would like to belong but don't feel able to meet the tax.

By forming a club with a larger membership the present instructor could be employed at a fixed salary and the tax would in consequence be much smaller. Sufficient apparatus could be gradually secured and physical development of all kinds could be indulged in.

Reno has a gymnasium which is very complete and is evidence of the staying qualities of the young men of that town. This should be a good pointer for the Carson boys and clearly demonstrates what can be done by simply pulling together.

A GENUINE ATTRACTION.—Those who were not at Small's Opera House last night and took in "A Social Session," missed a big treat. It's the finest thing we have seen on that stage since the opera house was built. The orchestra is as good as the play itself. Considering the number, it beats Liberator's band. One could do nothing but laugh and roar, and yet all their funny business was clean and smooth. Nothing coarse or vulgar. Every musician and every actor is an artist, and when a troupe like that comes along, it deserves a packed house.—Walla Walla Journal.

THE MILLS.—On account of the blockade near Seales, no ore trains were moved over the V. & T., from Virginia City. Yesterday it was expected that the main line would be cleared and that the train and mills would be running as usual to-day. The temporary suspension of shipments will result in no curtailment of the February bullion yield of the lode, and there is a supply at the mills ample to keep them running to their full crushing capacity until after the blockade is raised.

GUITAR LESSONS.—L. A. Liggins the guitarist, is now prepared to take a class of pupils and instruct them in guitar playing. Mr. Liggins is a thorough master of the instrument, and will guarantee satisfaction. Rates, \$5 per month, one lesson per week. For further information apply at this office. j27tf

The people of Owens Valley are going into the raisin industry. One man—L. A. Anger—has ordered 30,000 raisin grape cuttings from leading Fresno vineyards, chiefly of the Muscat, Alexander and seedless Sultan varieties. He will go to Mojave for them in a few days.

A nursery of 8000 trees for sale. Apple trees of any variety, 25 cts. \$20 per one hundred. Young elms enough to supply Nevada. All kinds of shade and fruit trees, roses, shrubs and bushes. Nine houses for sale. A living without labor. John Wood, Carson City, Nevada. j25tf

Language is hardly strong enough to express my admiration of the merits of Chamberlain's Cough Remedy. It is the best remedy for croup and whooping cough I have ever used. During the past eighteen years I have tried nearly all the prominent cough medicines on the market but say, and with pleasure too, that Chamberlain's Cough Remedy is the best of all. THOMAS RHODES, Bakersfield, California, For sale by G. C. Thaxter.

Peterson is still on hand to wait on customers who want anything in the photo line, large or small. He will always try to have you pleased. Call and take a look at his work in the gallery over Thaxter's Drug Store. j23tf
